

# Worksheet for Look, See, and Watch

## Instructions:

You will see 10 Bible verses with blanks to fill in. You will need to use look, see, watch, or any of the expressions and phrasal verbs from the lesson. Check the subject of the sentence to make sure the form of your verb matches it. You might also need to change the tense - for example, change "look" to "looked" so it makes sense in the sentence.

Here is a word bank for you to use. You will use one word twice. When you're done, check the last page for the answers.
